## BURNERS

The life of OMC burners (made of stainless steel) depends almost entirely on proper use, cleaning and maintenance. This warranty does not cover failure due to improper use and maintenance. In this event the warranty grants the owner the option of buying a new burner at the following discounts from current price. During 3rd year - 50%, 4th year - 40%, 5th year - 25%. Shipping and handling charges are the responsibility of the owner.

## PORCELAIN COOKING GRIDS

Most OMC cooking grids are coated with a durable porcelain enamel to assist in cleaning and reduce the tendency of food from sticking to the grid. Porcelain is essentially a glass coating. Some chipping may occur if mishandled. This will not affect the use or performance of the grids. The grids are not warranted against chipping or rusting due to mishandling. If some rust appears, remove the rust with a scrub pad and coat the grid with cooking oil.

## VAPORIZATION SYSTEMS

OMC Gas Grills are designed for use with either Ceramic Briquettes or Flav-R-Wave™ or Flav-R-Cast™ vaporization systems. Use of any other product will nullify the warranty.

## BRIQUETS

Ceramic Briquettes are only to be used with the Briquette Grate supplied or specified. They are not to be used with Flav-R-Wave™ or Flav-R-Cast™. Only one layer is to be used. Place evenly.

## FLAV-R-WAVE™ / FLAV-R-CAST™

The Flav-R-Wave or Flav-R-Cast is warranted against defects in materials or rust through for a period of 2 years from date of purchase. Surface rust will not affect the performance of the Flav-R-Wave™ or Flav-R-Cast™ and is not covered by the warranty. If rust appears, remove the rust with a scrub pad and coat with cooking oil.

## LP GAS CYLINDER

OMC does not manufacture LP Gas Cylinders. The LP Gas Cylinder manufacturer is responsible for the materials, workmanship and performance of the cylinder. If the cylinder has a defect, malfunctions, or you have a question regarding the cylinder, contact your dealer or the cylinder manufacturer.
